

## **NEZ Rallycross Round III in Riga: Welcome to Latvia!**

**New Rallycross track „Bikernieki” is located in Riga City, only 10-15 minutes away from ferry port, 30 minutes away from Riga Airport. So it will be great opportunity for drivers to compete, live and take a look at the City without long liaisons on race weekend! Everybody is warmly welcomed to Riga on July 24-25!**

Rallycross track in “Bikernieki” is brand new: rallycross drivers and enthusiasts Ilgonis Krumins and Ugis Paurins and their team prepared track in old Bikernieki race track territory. Sports complex was build in 1960s for touring cars and bikes. It is planned to go for reconstruction works and, hopefully, new rallycross track is first step into new world of “Bikernieki”.

Attention for teams and drivers! You should inform as soon as possible Your coming to Riga, because there is possibility to make cheaper ferry prices! So, please, do not be late on that for Your own good!

NEZ Rallycross in Riga will be good race and Your entry will make it better!

Sincerely yours,  
IKE NEZ Rallycross Team
